Dear Student,

You are aware that you are one of the remaining few who are still enrolled under the old curriculum. We have been doing our best to accommodate and support your education, and now it is time for you to come in so we can plan the route to you graduating.

It is incumbent that we work together over the next few weeks to create a solid plan that will be mutually beneficial to you and JRRMMCH and we are trying to figure out how to provide the best academic support to all our students and doctors in training.

We look forward to your physical presence on campus.

**PROF. MD. ABED HOSSAIN**

Principal
